

Career Counselling – Making career decisions

Activity – Exploring My Industry

Choose one of the related occupations you identified in the Exploring My Career Interests Activity and read the information available on the website [MyFuture](http://myfuture.edu.au/). <http://myfuture.edu.au/>

Complete the information below.

Choose a “related” occupation:

What duties and tasks interest you, and why?

What duties and tasks DON'T interest you, and why?

Looking at the labour market link, what confirmed or challenged the knowledge you had about this occupation?

List one vacancy that may interest you in your lifelong career:
